

Do You Remember Your First Fishing Adventure?

Help us 'Take A Kid Fishing'
35th annual
Kid's Fishing Days Program

The Palm Beach County Fishing Foundation *invites you to help us* **Take A Kid Fishing**

It's all about introducing kids to fishing and our marine environment! The **Palm Beach County Fishing Foundation**, the charitable affiliate of the West Palm Beach Fishing Club, will conduct its annual *Kid's Fishing Days* program in mid-July. Hundreds of disadvantaged children from throughout Palm Beach County will experience what many of us take for granted, a day of boating and fishing on the ocean. With the support of knowledgeable volunteers, the kids will receive quality fishing instruction and learn all about the marine environment while experiencing a memorable offshore adventure. Over 14,000 special kids have participated in this heartwarming community outreach event. The

program, now in its 35th year, is free of charge to those who participate and is made possible through the generosity of numerous community volunteers and sponsors.

You or your business can help **Take a Kid Fishing** by sponsoring one or more children. A **tax-deductible donation of \$35.00** will help cover the cost of one child's participation. Larger donations are greatly appreciated and will help cover significant expenses such as charter fees, t-shirts and rental expenses.

Each child receives a t-shirt, snacks, drinks and a brand new fishing rod and reel. Of course, each child walks away with

special memories of a fun day on the water and a better understanding of our unique marine environment.

Butch Farrell

Dr. Ray Waldner

WE REMEMBER....

The West Palm Beach Fishing Club lost two of its most tenured Kids Fishing Days volunteers this year, Dr. Ray Waldner and Butch Farrell. Ray worked the Morphology Station educating kids all about the shapes and sizes of fish, and how they use their fins in different ways to survive. His wonderful sense of humor was always present. Butch was a dedicated seawall fishing instructor who brought smiles to youngsters faces (and occasional screams) while teaching them how to bait a hook and cast a fishing rod. He loved taking polaroid pictures of kids with their first ever fish. These two individuals touched the lives of countless kids through their volunteerism. We dedicate this year's program to them. They are missed.

Many thanks to these major Kid's Fishing Days sponsors:
