

BUD & MARILYN TUPPEN YOUTH FISHING FUND

This grant will provide up to \$2,000 to Palm Beach County based High School and University Fishing Clubs. Other organized youth fishing clubs and programs (Boy Scouts, Boys & Girls Clubs, Home School clubs, etc.) based in Palm Beach County are also eligible. The grant can be used to assist with club/organization expenses, such as the purchase of fishing tackle for awards, the purchase of fishing gear for participants, fishing charter fees, club t-shirts, etc. Applicants who demonstrate they are promoting ethical angling practices, supporting resource conservation efforts, and who are producing angling programs (tournaments, outings, meetings, etc.) are more likely to receive a grant. The amount awarded will be determined by the Grant Review Committee. Recipients must re-apply each year if in-

terested in receiving additional grants.

The grant application period is open year-round. Up to three (3) \$2,000 grants will be awarded during each funding cycle which runs from January 1 through December 31. Grant applications can be found online: westpalmbeachfishingclub.org/foundation/programs/

Completed applications should be submitted by email to:
ttwyford@westpalmbeachfishingclub.org.

The Bud & Marilyn Tuppen Youth Fishing Fund is administered by the West Palm Beach Fishing Club's (WPBFC) charitable foundation, the Palm Beach County Fishing Foundation. Buddy Tuppen was the co-founder of Tuppen's Marine & Tackle located in Lake Worth, Florida. Bud & Marilyn were longtime WPBFC members and Buddy was an active volunteer. These youth fishing grants are being provided in their memory and are intended to support the next generation of responsible anglers.
