

# Palm Beach Tuna Tournament Rules:

## “All Tunas” Details:

1. Teams registered to fish for “All Tunas” are eligible to fish between April 25<sup>th</sup>- May 9<sup>th</sup>. At least one team member is required to attend the captains meeting on Friday, April 24<sup>th</sup>, 6pm at Stormhouse Brewing in North Palm Beach.
2. **Species eligible for the 2026 Trophy Tuna Award of \$20,000 are: Yellowfin Tuna, Bluefin Tuna, Bigeye Tuna and Blackfin Tuna. The minimum weight for a tuna that qualifies for this awards payout is 40 lbs.** The single heaviest eligible tuna wins the cash prize. Bluefin Tuna eligibility/retention limits may change throughout the season. State & federal recreational fishing rules governing bag limits and licensing must be observed.

**Weekly cash prizes are offered for the 3 heaviest blackfins. Week 1: April 25th – May 1st, Week 2: May 2nd – 8th.**

3. **No mutilated fish will be weighed.** A fish that is “bit” is considered a mutilated fish.
4. Eastern boundary is 25 nautical miles. Fishing in the Bahamas is prohibited. Northern Boundary is Ft. Pierce Inlet: N 27.4744  
Southern Boundary is Hillsboro Inlet: N 26.2544  
Fish must be hooked and landed/boated within the boundary.
5. **Trophy Tuna catches must be verified on video** featuring the token of authentication (distributed at tournament captains meeting). It’s the team’s responsibility to capture footage/evidence of a live/freshly caught tuna being boated, featuring the required token of authentication, and verifying they are fishing within the tournament boundaries by showcasing their location on a navigation unit onboard. Teams need to record the location of the catch (dropping pin/creating waypoint will be helpful). Failure to provide video following these

guidelines will disqualify a catch. Teams are encouraged to also film location when hooked up to a potential “trophy tuna”, and provide additional evidence that the fish was caught/boated for the first time within the boundary. If a fish “comes up dead” while still on hook and line, teams need to record entire final boating sequence to provide sufficient evidence of the tuna being landed for the first time within tournament boundary, without any existing holes from being gaffed previously. The Tournament Directors reserve the right, in their sole and absolute discretion, to reject any fish that does not meet the requirements of the Tournament. Any decision of the Tournament Directors to reject a fish is final. Video evidence may be used for tournament promotion and/or social media.

Blackfins caught to be weighed for weekly cash prizes also need to be verified with token of authentication.

6. All fish must be caught on rod and reel (**no electric reels**). IGFA rules do not apply. Multiple anglers are allowed to fight the same fish. The use of a rod holder to hook or fight a fish is permitted. The use of dart gaffs, harpoons, and/or lance gaffs are permitted.
7. To weigh/report a “Trophy Tuna”, contact Tom Bzura @ 561-309-1397. Anglers entering fish must return to the weigh station inside Palm Beach Inlet by water in the boat they fished from. Sailfish Marina is the primary weigh station. Weigh station available daily 8am – 9pm, and subject to availability of tournament weigh master.

Weekly blackfin tuna weigh-stations available/open at Fishing Headquarters in Jupiter, Lott Brothers in North Palm Beach, Fisherman’s Center in Riviera Beach and Tuppen’s Marine in Lake Worth during their normal listed business hours. WPBFC clubhouse available Monday – Friday as weigh station as well. Anglers must text Tom Bzura @ 561-309-1397 to report their catches and recorded weigh-ins at area tackle shops.

No fish or anglers can be transferred between boats. All fish weighed in must be accompanied to the scale by the WPBFC member in good

standing, or official tournament sponsor and be weighed in the presence of the Tournament Weigh Master. In the event of a tie (identical weights), the fish weighed in first will win the award based upon time.

8. If a fish is being fought before the end of day it must be reported as hooked up, and if landed successfully the following day, will still be eligible.
9. Teams must fish in the boat/vessel registered. A WPBFC member in good standing must be present on the water while fishing/boating eligible fish. Each WPBFC member can only register one team.
